THE GREAT RITES OF ENLIGHTENMENT

A PATH TO TRANSFORMATION AND ASCENSION

Welcome to the Golden Age, a time to manifest the Higher Consciousness of Humanity . It is the time of human transformation, when Spirit and Matter becomes One.

Many ancient traditions recognize the year 2012 as the rebirth of the New Earth. A time of great human transformation and enlightenment, a time in which we can experience the unlimited abundance from the Source of all Creation.

The Inka Prophecy tells us of a new human appearing on the Earth, a person of wisdom and power who lives free of fear and resides in their own magnificent nature. The rites of the Munay-Ki are the energetic “codes” for this new “Light Being”.

The Munay-Ki are the nine great rites of initiation of the Inka medicine way. The Rites of the Munay-Ki are experienced in the form of energetic transmissions that heal our wounds and transform our Luminous Energy Field. The rites of initiation brings us back into “Ayni”, the right relationship with nature and with each other. The Munay-Ki rites help us to embrace the fullness of our becoming.

Now is the time to step into your spiritual transformation, and embark on a journey to enlightenment.
